Run Run Shaw

However, Akuma sensed that Gen was terminally ill, making it an unfair fight. The area is also home to many ethnic minorities, mainly South Asian Hong Kongers, a community that often faces discrimination and poverty. Though he fights to test his strength and his opponents, much like Akuma, Gen is very respectful to younger fighters like and , and is displeased by those who do not rely on their own power, as he values the true spirit of martial arts and honor.

Will former RSAF general Gan Siow Huang contest under PAP at Bishan

Translated: We have to depend on ourselves as government could not provide any assistance.

Vinnic

Elderly though he is, Gen's temperament is extremely sharp, his speech patterned with a weathered and biting coarseness.

Hong Kong orders thousands to stay home in two

In most recent games his skin also has aging wrinkles in his entire body, notably his face.
