## Advanced Topics in Jewish Law and Legal Theory

Clearly, a chumra religious stringency exceeding the normal requirements of the law can have negative consequences and one should therefore be

very careful before imposing it on the community. But Israeli authorities can be very tough, and the police ruthlessly break up Orthodox pickets and blockades. His articles explicate the wisdom of Jewish Law and what American law might learn from it, much as courts learn from the reasoning of courts in other states and comparative lawyers learn from the law of other countries.
