Mihai Eminescu, the national poet of Romania

You can populate your blogs by writing for HubPages! By Denny Lyon Photo by meaduva flickr These days my favorite online writing site is HubPages! Scholar to Burkina Faso and her poetry book , about a Burkinabe and American love story, won the 2013 Vernice Quebodeaux Pathways Poetry Prize. Based in Bistrița, he is also a publisher, and school teacher. Warriors Pearl is a small company start-up over at Cafe Press, in the Denny Lyon Gifts store.

Poetic Romanian

By Denny Lyon Photo by h. For us there existed only the slow growth of the police station and no sun to ruin any plans above it. Great for holiday menus or the novice cook.

Poetry in Process

Our Anthology, itself also a product of great and multiple realizations — to a larger degree than novels or essays — is surrounded by an infinite number of fields of pre-critical views that demand not an author, but a verification.

A Night of Poetry From Fulbright Poets to Romania, Burkina Faso, and Finland

Her achievements have been noted in Who's Who in Contemporary Woman's Writing, edited by Jane Elridge Miller Routledge, London and New York, 2001 and Harold B. We carefully review the practices and policies of each contest before including it in the Writing Contests database, the most trusted resource for legitimate writing contests available anywhere.
