An Introduction to Pablo Picasso's 'Suite Vollard'

They kept their relationship a secret at first, but Gilot moved in with Picasso after a few years and they had two children, Claude and Paloma. When Vollard was killed in a car accident in 1939 the project remained unrealised however, and with the subsequent outbreak of the Second World War the editioned prints were left unpublished.

An Introduction to Pablo Picasso's 'Suite Vollard'

The resulting that Picasso and Depeyre kept to themselves throughout their lives. At the left, a large sculpted head stands on a pedestal, its head crowned with a delicate vine of leaves which curves down to the ground. Françoise grew tired of his abuse and affairs and left him in 1953.

Picasso's Suite Vollard and Its Contexts

A: In my opinion, they are all fakes. Pâquerette was born in Mantes-sur-Seine and worked as an actress and model for the high-society couturier Paul Poiret and his sister, Germaine Bongard, who had her own couturier shop. The majority of the plates are line etchings occasionally with drypoint, a technique in which Picasso was especially expert.

Related Picassos

The pair reconnected years later in 1923 and she was the subject of his painting, The Lovers 1923.

Picasso's Suite Vollard and Its Contexts

David never posed nude for Picasso and they never slept together—it was the first time he had worked successfully with a model. Known for his engravings, he and Picasso had many friends in common, including Moise Kisling, Juan Gris, and Jules Pascin. Both editions of 260 and 50 were printed on laid paper, a descriptive term for one of the ways hand-made paper is produced.

Pablo Picasso, Deux Femmes Regardant une Tete Sculptée (Two Women looking at a Sculpture Head) from the Vollard Suite, 1933, Etching (S)

Tragically, Vollard died in a car accident two years later in 1939, before the plates could be printed.

Chapter 6: A Survey of Picasso's Prints: 1930

Picasso was greatly inspired by Roque, creating more works based on her than on any of the other women in his life—in one year he painted more than 70 portraits of her. The one hundred etchings of the Suite Vollard were created by Pablo Picasso between 1930 and 1937, a seminal period in his career.
