## 1. Introduction

...

## 1. Introduction

Provost Courant commented that in the face of budgetary challenges, the University's primary obligation is to maintain its excellence and to insure its availability to students regardless of their financial circumstances.

## Faculty Collaboration Database

. If future studies confirm that this NOS1 polymorphism could be used to identify those children whose acute chest syndrome episodes are unrelated to asthma versus those whose acute chest syndrome episodes are related to asthma, one could speculate that treatment strategies may differ for the management of acute chest syndrome events see Section 16. .
