Statutes at Large, the chronological publication of all federal laws, was a basic reference especially important in tracing early appropriations for park watchman. These services include criminal investigation, traffic enforcement, aviation support, criminal intelligence, and icon protection.

Aviation Unit

A homicide investigation has opened. We insist on fairness and responsibility in all facets of our professional and personal conduct and demand the highest standards of ethical behavior.

Race and the Police

Park Police are public servants who are sworn to uphold law and order without bias of any kind, regardless of the political winds of the day. So things are slowly but surely moving along. African Americans across this nation are aware and concerned about the ongoing existence of race-based profiling of this segment of the population by members of some police departments.

Aviation Unit

In order to ensure the enjoyment of these landmarks for ages to come and to keep the millions of visitors they receive each year safe, someone must be tasked with their protection. Clipping collection hereinafter cited as MLK.
