A metaphor we often use is equality ensures that everyone has a pair of shoes; equity ensures that everyone has a pair of shoes that fit.

ERIC

This discussion paper explains that much more needs to be done for children with disabilities living in situations of armed conflict, and offers evidence-based recommendations. Before you can advocate for equity, you must understand your own identities and how they can serve as privilege or oppression in different contexts.

Supporting Pacific learners

Inclusion is embedded in all aspects of school life, and is supported by culture, policies and every day practices. Pages contain marginal notes, underlining, and or highlighting. Or is it because you value different perspectives and are genuinely trying to diversify beyond the visible? Using the CIQ gives you a running commentary on the emotional tenor of each class.

We can take this further in another example, think about committees and task forces that are often put together at institutions. The goal is that our students will have thoughtful interactions and conversations with people from different backgrounds and life experiences. Possible ex library copy, thatâEURll have the markings and stickers associated from the library.

Diversity, Equity, & Inclusion 101

Conclusion Integration and involvement are key ingredients for increasing student retention and promoting success.
