### Map & Routes

Hardy cyclists can trace the route back to its starting point or, for a more relaxing alternative, hop on the ferry from Sausalito or back into the city. Adam and Alex were wonderful! Lodging around Monterey is all about location.

### Redwood Rides

You will get to see a number of different parks in Orange County, allowing you to really make the most out of your visit. Best of all, the rapid descent is one of the most exhilarating experiences you will have.

### Map & Routes

The fourth ride I like is in the San Juan Islands, an archipelago of gentle, flat, domesticated islands between the city of Vancouver and the island of Vancouver. Some riders—those who like great distances, moonscapes, and solitude—like it out there, especially the area around and north of Baker and John Day. So every road that runs east runs uphill, every road that runs west runs downhill, and every road east of 49 that runs north and south is a series of ups and downs as it crosses a series of creek canyons and ridges running perpendicular to your route.

### The Best Backroad Bike Rides of the California North Coast

I recently did a nineteen-ride car trip through Oregon based almost entirely on its suggestions, and it never let me down.

### The Best Backroad Bike Rides of the California North Coast

And the drivers have come to drink. If you want an good organized introduction to the riding in the area, check out the , a century with routes of various lengths, the longest being a killer 135-mile route with 13K of elevation gain.

### California's Top 10 Coastal Bike Rides

Cannot recommend Redwood Rides enough as the best way to experience this area! Local cycling clubs are also good sources for touring and

recreational routes. Baker road is free of snow only to Austin Pass 5.

### **10 Best Cycling Locations in California**

He was great to work with and really knowledgeable about the area.
