**1001 designs for whittling and woodcarving : Tangerman, E. J. (Elmer John), 1907**

Will be a good Reading copy. Very minimal wear and tear.

**1001 designs for whittling and woodcarving : Tangerman, E. J. (Elmer John), 1907**

. While some readers might be disappointed in this book for what it does not do, provide patterns or detailed instructions, I like this book because it presents the breadth of wood carving possible with some historical perspective on each type. No obvious damage to the cover, with the dust jacket if applicable included for hard covers.

**One Thousand One Designs for Whittling and Woodcarving by Elmer J. Tangerman (1995, Trade Paperback, Unabridged edition) for sale online**

There may be underlining, highlighting, and or writing.

**One Thousand One Designs for Whittling and Woodcarving by Elmer J. Tangerman (1995, Trade Paperback, Unabridged edition) for sale online**

I like how Tangerman writes as well; he keeps the book from seeming to stale or purely educational. The only complaint I can muster is that to today's eyes the black and white format appears old fashioned. May not include supplemental items like discs, access codes, dust jacket, etc.

**1001 designs for whittling and woodcarving : Tangerman, E. J. (Elmer John), 1907**

You should feel free to flip through the sections and read about what catches your eye, but this book isn't geared towards someone wanting to learn the techniques of woodworking or even whittling. While there are instructions and illustrations of different cuts and some talk of tools and material, this is mainly a reference book for design and project ideas. Verified purchase: Yes Condition: Pre-owned.

**1001 designs for whittling and woodcarving : Tanagerman, E. J. (Elmer John), 1907**

This book was much larger and more extensive than I had imagined.

**1001 designs for whittling and woodcarving : Tanagerman, E. J. (Elmer John), 1907**

Tanagerman's book is a classic and should be read by anyone interested in taking up the craft. Tanagerman's book is a classic and should be read by anyone interested in taking up the craft. May be very minimal identifying marks on the inside cover.
