Maker: St Mary & St Julian

The church dates to the 15th century and has been a since 1968. In the reign of Elizabeth, one of the ships of the Armada was fired here by the people. The real influx of people began when Plymouth merchants built pilchard cellars along the beach still here in Elizabeth I's reign and in the next two centuries smuggling flourished, the goods obtained both from cross-Channel trips and incoming merchantmen.

Maker, Cornwall Genealogy • FamilySearch

From them Maker passed by marriage to the Durnfords and then the Edgcumbes. Julian, patron saint of ferrymen. Further financial donations were received from local residents, including Rev.

Fairs are held on lat May and 29th September for cattle.

GENUKI: Maker, Cornwall

In the 15th century, the church was enlarged by replacing the south transept with a south aisle and south arcade of Perpendicular style. The parish, which in 1943 was united with that of, is in the extreme south-east of Cornwall separated from Plymouth by the stretch of water known as 'Plymouth Sound'. Earl Ordulf, owner of vast estates in the West Country and uncle of King Ethelred, gave Rame to Tavistock Abbey which he had founded in AD 981.
