Use , including worksheets, discussion cards, and comprehension quizzes to build students' comprehension and language skills, including vocabulary, in French.

### 1st Grade French Foreign Language Worksheets & Free Printables

The publication, as well as Science News magazine, are published by the Society for Science, a nonprofit 501 c 3 membership organization dedicated to public engagement in scientific research and education.

### French Leveled Books

Skill worksheets parallel English-language skill practice in French when appropriate or provide original, language-specific practice based on French grammar and mechanics, word structure and meaning, phonological awareness, phonics, or high-frequency words. You are a teacher after my own heart.

### 1st Grade French Foreign Language Worksheets & Free Printables

The provides suggested skills and strategies.

### **Livres en Français**

Wordless books allow students to use imagination to tell their own story with a book's illustrations or support retelling of the original text at Levels aa-J. You move from page to page and get to hear, read, or hear and read the story.

### **Science News for Students**

There are a lot of French textbooks out there, but not all of them are very helpful. It's important to note, though, that the change in reading level between the beginning and end is pretty dramatic, so if you're actually A1 when starting Chapter 1.
