Congress Must Pass These Election and Voting Reforms in 2021

According to a poll, 47 percent of U.

Nancy Pelosi's H.R. 1 election reform bill could save American democracy.

That provision was intended to prevent the national parties from raising money and then directing it to others in order to avoid federal limits. Still, in many of the Southern states where Republicans are likely to push for the most gratuitous lines—such as Texas, Georgia, and Florida—conservative-leaning state courts are unlikely to put up much resistance, most legal analysts I spoke with agree.

About

It does not do this on a routine basis. For purposes of voting shares, the FCC treats a majority stake as 100 percent, whereas for equity shares, the actual percentages are used.

The FCC typically defines foreign ownership, including indirect ownership, by multiplying the percentage of shares an owner has in one company by the percentage of shares that company owns in a regulated broadcast or common carrier licensee. Specifically, these bills provide for EAC oversight of a broader array of election system products and vendors in exchange for receipt and use of federal funds but do not provide for ongoing certification and monitoring of vendors.
