Black Religion & Black Radicalism: Gayraud Wilmore: 9781570751820

Gayraud Wilmore demonstrates the extent to which the history of African Americans can be told in terms of religion, and to what extent this religious history has been inseparably bound to struggle for freedom and justice. Tracing the connection from African religion Judaism, Christianity, Islam, and traditional religions through slavery and supposed freedom to the present day, Wilmore presents a sweeping argument that throughout history African Americans have used their religious understandings to strengthen their resistance to oppressive realities.

Black Religion and Black Radicalism An Interpretation of the Religious History of African Americans

Wilmore's book is a standard, and fairly thorough, introduction to the connection between African American religiosity writ large and African American societal protest. Eric Lincoln Black Religion and Black Radicalism has established itself as the classic treatment of African American religious history. Black Religion and Black Radicalism

Since its first publication 25 years ago Black Religion and Black Radicalism has established itself as the classic treatment of African American religious history.

TUCC

Wilmore shows to what extent the history of African Americans can be told in terms of religion, and to what extent this religious history has been inseparably bound to the struggle for freedom and justice. From the story of the slave rebellions and emancipation, to the rise of Black nationalism and the freedom struggles of recent times, up through the development of Black, womanist, and Afrocentric theologies, Wilmore offers an essential interpretation of African American religious history for students of religion, history, and Black and cultural studies. Black Religion and Black Radicalism has established itself as the classic treatment of African American religious history.

Black Religion and Black Radicalism An Interpretation of the Religious History of African Americans

Among the additions to this revised third edition are an entirely new chapter, exploring the African roots of African-American religion, as well as thoroughly updated chapters on the state of Black church, and the struggle for freedom today. Among the additions to this revised third edition are an entirely new chapter, exploring the African roots of African-American religion, as well as thoroughly updated chapters on the state of Black theology, the Black church, and the struggle for freedom today. .
