Moscow and the Golden Ring of Russia

You will be extremely surprised to know that a lot of people live in Rostov and work in Moscow.

Moscow

Interesting fact : Rich history and magnificent views attract celebrities. Vladimir's prospered in the 12th century, and the power it held then is still evident by the architectural monuments scattered throughout the town, reminiscent of its glory days.

Golden Ring Theatre in Moscow ★ Sights of Russia 2019

If you stay over night, that means you will only have two days left in Moscow.

1

Petersburg, and all other Russia. First day we drive to the Suzdal with several stops.

Golden ring tours, Moscow & Russia by golden ring train

It is also the most populous city in the country. The Golden Ring is a tourist route that passes through the ancient towns located around Moscow. The downside is that it is more expensive and you can catch some traffic jam, anyways.

1

Contrasting with imperial Moscow and St.

Moscow and the Golden Ring of Russia

You don't need to go far from the center. The 'classical' route counter clockwise starts from Moscow, goes through Vladimir, Suzdal, Kostroma,

Yaroslavl, Rostov Velikiy, Pereslavl-Zalesskiy, Sergiev Posad.

Best day trips around Moscow — from the Golden Ring to the charming town of Suzdan

It's a great route to travel if you want to enjoy the quiet and peaceful life in the Russian province, beautiful countryside views, and enjoy ancient architecture. Russia is the land of vodka and bears By Michael Schneider Last updated on 4th Jun 2020 Thinking of travelling to or within Russia but undecided on which destination to go? We make a first stop in Sergiev Posad to see the famous Lavra.
