Note that the 2011 data were revised during the ICP 2017 cycle using updated expenditures, regional PPPs, population, and market exchange rate data and users should access these data through the ICP 2017 cycle links above.

Overweight in the Pacific: links between foreign dependence, global food trade, and obesity in the Federated States of Micronesia

There are two sub sections describing cultural exchanges by the Japan Foundation, the cultural and education cooperation by Japanese Government, and private activities cosponsored by the Government. To show some of the evidence, tariff cuts have been effected on the strategic commodities for ASEAN countries such as boneless chicken, plywood, bananas and palm oil.

ASEAN

Therefore, if the economy is the producer of wealth, the polity has the power to use its wealth to attain collective goals.
