### Train timetable The Overland (Journey Beyond Rail)

The first car, Allambi, entered service in 1949 as a roomette sleeper with a central corridor and ten sleeping compartments either side, with room for 20 passengers. Trips diverted from air will save roughly the same amount, due to avoided CBD transfers to Adelaide Airport or Tullamarine.

### The Case for The Overland

As we leave town, you may see another grain-only railway line branch off to the right - this line heads up to the delightfully named north Wimmera towns of Jeparit and Rainbow.

### The Overland train from Melbourne to Adelaide

Seats and sleeping berths are reserved and you cannot board without a reservation. Assuming that maybe a third of these are intercapital journeys total guess , and using a typical vehicle occupancy of 1.

### Overland

This is quite a new facility that is just about the only general rail freight yard that now operates anywhere between Geelong and Adelaide.

### Hennepin Overland Railway Historical Society Online

The train, which ran overnight, included sleeping cars and sitting cars and for some years a dining car as well. Retrieved August 30, 2014 — via.

### The Overland train from Melbourne to Adelaide

Very soon we pass through more remnants of indigenous language preserved in town names. This is the last tunnel we will travel through today until much later in our journey — by which time we will be within an hour of arriving in Adelaide.

### Hennepin Overland Railway Historical Society (Minneapolis)

In 1999, the maroon and silver livery was removed and the train was repainted in a new grey and silver scheme, with a new logo.
