When a passenger train misses that window, for example due to an earlier delay, host railroads may and frequently do direct passenger trains to follow slower freight traffic. The cloth seats are organised in a 2x2 style, offer North American standard 120 V, 60 Hz electrical outlets along the windows, but lack cup holders.

Railroad and Warehouse Commission

If the authority denies any part of the application, the authority shall inform the qualified community development entity of the grounds for the denial. Whereas, Many persons in West Virginia are victims of financial exploitation, the fastest growing silent crime of the 21st century; and Whereas, In many cases the perpetrator of the financial exploitation drains the victim of his or her life savings, income and real and personal property, leaving that victim subject to evictions, homelessness, hunger and destitution; and Whereas, West Virginia has a Crime Victims Compensation Fund that grants awards to victims of crimes that result in physical harm; and Whereas, The federal Victims of Crimes Act and other states have extended crime victims compensation awards to victims of financial exploitation; and Whereas, Even the smallest award from the Crime Victims Compensation Fund would assist vulnerable victims of financial exploitation in keeping their housing, property and dignity without resorting to assistance from public programs; therefore, be it Resolved by the Legislature of West Virginia: That the Joint Committee on Government and Finance is hereby requested to study the feasibility of including victims of financial exploitation as persons who are eligible for an award from the West Virginia Crime Victims Compensation Fund, especially persons who are elderly, incapacitated or who have been deemed

protected persons, and the possibility of coordinating with the federal Victims of Crime Act program to obtain funds for such awards; and, be it. Labor issues Railroads also were saddled with antiquated work rules and an inflexible relationship with trade unions.
