There are always a few changes, but typically they are insignificant. No highlighting of text, no writing in the margins, and no missing pages. On my recent numerous bike trips in the countryside around Paris I always notice several road numbers that have been changed from the 2007 edition map I have but as others have said, signage priority is given to place names rather than road numbers and the new numbers generally correspond to the previous numbers.

Il est complémentaire aux cartes Michelin ou de l'IGN, pour renseigner les touristes souhaitant voyager et découvrir une région, plusieurs villes ou un pays, en indiquant les principaux endroits caractéristiques. Le Guide Vert est un livre faisant partie d'une collection de guides touristiques, fondée en 1926 par Michelin, qui met l'accent sur la découverte du patrimoine naturel et culturel des régions. You will find all the essential information for

your journeys: practical city maps with the map of the surrounding area, the Michelin selection of the most scenic routes to get off the beaten track. France Road Atlas is the perfect companion for safe and enjoyable drive in France.
