### Top 5 benefits of children playing outside

Imagine that your fretting hand is nailed to the neck and then just let the whole shoulder and elbow relax. Also, the activity is needless.

### A Play of Bodies

We've commissioned weekly surveys to help you understand just that. Help your child find age-appropriate activities and understand any safety rules for play. Even in the most difficult of times, taking time away from your troubles to play or laugh can go a long way toward making you feel better.

### Bodies (Drowning Pool song)

Below, we've outlined the new guidance and provided answers to your specific questions regarding what is and isn't allowed. Being outside gives them opportunities to practice these important life skills.

### How to Play Body Body: 13 Steps (with Pictures)

Give each child a hula-hoop or rope circle to represent their personal space.

### 6 reasons children need to play outside

Proprioception — the sense of the position and movement of his own body — helps him control his movements.

### Body Parts Game

It is a team sport, involving 11 players on each side who use their legs, head and torso to pass a ball and score goals. As parents, this makes us anxious; we want our children.
