**Hikmat: January 2010**

There is no question that some prominent Nurbakhshis ran into trouble because of their perceived political ambitions.

**Sajjad Rizvi**

He represents what I call the populist front of the attacks on Sufism, and his sway with the public greatly impressed the French traveler John Chardin d. The Hadith Movement and the Akhbari School The lives of both Majlis were devoted to one overarching concern: recovering the legacy of the imams.

**Sayyid Ni'mat Allāh al**

Dervishes had widely varying religious outlooks; some were antinomian Qalandars who cared little for religious precepts whereas others were passionately devout Twelvers whose views were squarely within the boundaries of orthodoxy as drawn by the clerics.

**Sayyid Ni'mat Allāh al**

Translated to Farsi by Mubashshir. § One of these curtains, he believes, is Sufism, and another is philosophy.

**S. M. Hadi Gerami**

Frederick de Jong and Bernd Radtke, Leiden, Brill 1999, pp. More important, I have followed AIS transliteration rules for names of people who

died after 1900 for example, Kazemzade, not Kazinzadah.

### **Sayyid Ni'mat Allāh al**

Frederick Mathewson Denny review copy not for distribution review copy not for distribution ACKNOWLEDGMENTS My adventure with 'irfan started long before the research for this book, beginning eighteen years ago, when I moved to Qum to follow a rigorous course of study in the traditional Islamic disciplines. The Zahabiyya were in full compliance with the hagiographical narrative that gave Safavid rule its spiritual legitimacy—a narrative that revolved around the figure of Safi al-Din Ardabili as the founding figure of the Safavid Sufi network. The brevity of the author on the subjects of tawhid and ma'ad and the length of his treatment of the imamate is a clear indication of the concerns of the time.

### **Shaykhism II : Western Sources and Materials**

Ziyarat rituals were often elaborate, and pilgrims went so far as to circumambulate and prostrate themselves before the tomb, imploring the immaculate inams to intercede on their behalf so that God might grant their wishes, which usually pertained to worldly needs. Some worship Him in order to attain paradise, which is the worship of a hired laborer.
