Captain Charles Stuart, Anglo

Within the United States, you may freely copy and distribute this work, as no entity individual or corporate has a copyright on the body of the work. In 1840 he attended the in June.

Biography

Another herd on an off farm has also been compelled to resign his situation. The next year both Stuart and Weld were converted as a result of the preaching of Charles G.

Wikizero

My farm is public property; the people wander over it with impunity.

CAPTAIN CHARLES STUART, Anglo

Boycott was a former army officer and had served in the British Army 39th Regiment, which brought him to Ireland. Meanwhile Stuart had rendered invaluable service to antislavery beginnings in America. After leaving the army, he was a writer, but was notable for his opposition to slavery.

Wikizero

Within the United States, you may freely copy and distribute this work, as no entity individual or corporate has a copyright on the body of the work. He began a small black colony near Amherstburg, where he actively assisted the new arrivals to start new lives as farmers. During the next two years he spoke and collected funds in England for those American abolitionists who had separated from the faction of William Lloyd Garrison.

Charles Stuart (1783 â€” 1865), British abolitionist, captain, military

In 1838 he visited the West Indies, where he studied the workings of emancipation, reporting his findings both to the American and to the British

antislavery press. These Canadian societies were nurtured by the writings and speeches of abolitionists in the United States and England and in fact they were part of an international philanthropic movement, of which Charles Stuart was a tireless crusader. In the main, however, his work was done, and he retired about 1842 to his property on Lake Simcoe, where he lived until his death.

Wikizero

However, more and more he concentrated on church work and the temperance cause in his own community near Thornbury, Canada West. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. He returned from this mission in 1840, in time to attend the world antislavery convention at London.

Captain Charles Stuart, Anglo

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. A memoir of Granville Sharp, to which is added Sharp's Law of passive obedience, and an extract from his Law of retribution. Charles Stuart was educated in Belfast, Ireland, and at age 18 received a commission in the military service of the East India Company.
