## Review of Renewing America's Food Traditions (9781933392899) — Foreword Reviews

Many precious plants that formed our food web are now becoming extinct--some of these are right in my back yard.

## Renewing America's Food Traditions: Saving and Savoring the Continent's Most Endangered Foods

In addition, it offers a eulogy to a once-common game food that has gone extinct--the passenger pigeon--to underscore how rapidly a food species can be depleted if its habitat is destroyed and harvesting pressures are ignored. Makale Faber Cullen is a cultural anthropologist who directs the RAFT, Ark, and Presidia initiatives of Slow Food USA at its national headquarters in Brooklyn, New York.

## Renewing America's Food Traditions: Saving and Savoring the Continent's Most Endangered Foods by Gary Paul Nabhan

Dividing the United States, plus some of Canada and some of Mexico, into thirteen food nations named after one of the icons of that nation e. Nominations to the Ark of Taste are vetted by a committee of Slow Food USA members. This isn't really a cookbook, but it has recipes.

## Review of Renewing America's Food Traditions (9781933392899) — Foreword Reviews

In addition, this book offers the first-ever list of foods at risk in America more than a thousand , shows how all of us can personally support and participate in such recoveries, and lists food festivals held across the continent to honor and enjoy some of the country's most iconic foods, from crab cakes to maple syrup and filé gumbo. Learn how--through recipes, images, mini-histories--to help save and renew these most precious resources.

## Renewing America's Food Traditions: Saving and Savoring the Continent's Most Endangered Foods by Gary Paul Nabhan

Anne Minard is an environmental journalist who has worked or freelanced for several newspapers, magazines, and radio programs in the West.

**Renewing America's Food Traditions: Saving and Savoring the Continent's Most Endangered Foods — WHISTLESTOP  
BOOKSHOP**
