## Bibliography: Paul's Use of the Old Testament

Yet sermon design and form is not just about making an impression or creating an experience. Just think of Galatians or 1 Corinthians or what are sometimes called pastoral letters. Romans, Keesmaat and Walsh insist, is one of these, writ large.

## Orality, Preaching, and the Gospel

Neufeld, Put On the Armour of God: The Divine Warrior from Isaiah to Ephesians.

**Romans Disarmed: Resisting Empire, Demanding Justice: Keesmaat, Sylvia C., Walsh, Brian J.: [satis.farmjournal.com.au](http://satis.farmjournal.com.au): Books**

An underlying trajectory permeates these essays.

## Monographs on the OT in the NT in Canonical Order

Wright and whose work is sometimes cited by him as influential in his own thinking is, within the more scholarly world, a major conversation partner and professional colleague with many other renowned scholars. Rather, I am arguing that preaching various sermon forms and preaching with variety have biblical support.

## Paul and his Story: (Re)Interpreting the Exodus Tradition by Sylvia C. Keesmaat (9780567124340)

This is not liberal social gospel rhetoric, but the best, most faithful rendering of what the Bible itself really says. Keesmaat, Paul and His Story: Re - Interpreting the Exodus Tradition. Mohr Paul Siebeck, 1992.
