## An Introduction to Poetry

The third line of the poem reveals that Thomas is thinking about his death; yet, it is not his death that is troubling him, but rather the notion of losing his senses and, therefore, of losing himself. And wondrous impudently sweet, Half of him passion, half conceit, The blackbird calls adown the street Like the piper of Hamelin.

The day that Ledwidge was killed, for example, the chaplain recorded his death as follows: Crowds at Holy Communion. Using a total participation technique, invite responses from the group to answer the posted questions.

## RED AS AN INTRODUCTION TO POETRY on JSTOR

History is one of the best indicators of relevant themes that may be explored through poetry and literature at large: What we consider key moments in history are key moments in human development, so poetry during that time frame and on that topic are, naturally, worth the study. What is it mostly about? It was not on the battlefield or while doing his duty as a soldier, then, that the individual fighter contemplated himself. While the spirit of the soldier who sacrifices himself for others is revered, I do believe that, internally, what took place in the minds of these soldiers was a necessary form of isolation that turned into self-reflection.

Explain that they can use the sentence stems to help them write if they want to, but they don't have to. I walk the old frequented ways That wind around the tangled braes, I live again the sunny days Ere I the city knew. Invite students to add translations of the words in their home languages in a different color next to the target vocabulary.
