## Differentiated Instruction for Reading

This offers differing levels of support as needed, from teacher-led to guided to independent tasks, all contributing to building common understandings about the field, and also about the genre in focus. Help them identify books that are within their independent reading level. Structured Literacy is distinctive in the principles that guide how critical elements are taught.

## The Unit Study Approach

Evaluating non-fiction texts can be done by using a criteria checklist i. Emphasis in a Whole Language classroom is not placed on reading precision and accuracy, but on comprehension and appreciation -- children are not expected to read the text verbatim, they are allowed to insert and substitute words as long as the story still makes sense, and as long as the child is understanding the gist of the story. It also listed and explained some very successful strategies to try.

## Learning to Read to Read to Learn. Myth or Reality?

However, while an end to the reading wars could not possibly be more desirable, it is important to remember that a compromise between these two approaches to reading instruction will not necessarily result in the single, best approach. I felt proud to share. According to the 1992 NAEP, most teachers in the U.

## Differentiated Instruction in the Content Areas: Strategies for Reading, Thinking, and Writing to Learn

I am very familiar with flexible grouping, especially using readiness as a guide.

## Thematic Unit Definition and Tips for Teachers

When we do research on nonfiction topics, we summarize to capture what we want to remember from each source or portion of a source we use. Fiction Nonfiction During Reading Model stopping at three places in the story to sum up what is important, using the traditional beginning, middle, and end graphic organizer. Teach students to create book reviews, bulletin boards, blogs, or other ways to recommend books to others.

## **Bottom**

Gallup polls of American voters have shown a significant change in attitude in the last 20 years, from 73% opposed to homeschooling in 1985 to 54% opposed in 2001. The myth and its practices aren't working! By reading students will know about the tenses, kinds of tenses and how to use it.
