### CCNY receives \$150K NEH grant to develop unique digital humanities minor

A large block was excavated at Site 1Ba81, an extensive Mississippian shell midden in extreme southern Baldwin County and testing was conducted at a series of nine sand mounds in this same vicinity. Clair , Talladega , Shelby , Coosa , and Elmore Counties. NEH announces the names of award winners in each competition on its website; NEH does not announce the names of unfunded applicants.

### Funded Projects Query Form

Site 1Fr324 served as the subject of an M. Video: Tips for Applying to the National Endowment for the Humanities Grants Video Description In this video, Mary Downs and Jesse Johnston, both Senior Program Officers at the National Endowment for the Humanities NEH , share some suggestions and tips for applying for NEH grants and writing successful grant applications to federal agencies. These were the first sites excavated in DeKalb County and the first sites excavated in Marshall County since the relief-era projects along the Tennessee River.

### NEH grant

The collections became increasingly broad and systematic through time as soil was screened, fine-screened, or floated and an increasing variety of specimen or material types were recovered and retained. The field notes and forms and the methods and techniques they document form a historic record of scientific development in Alabama. Step 3: Begin Your Application The NEH website makes it very easy to find all the resources necessary to apply.

### Office of Archaeological Research

DeJarnette, who began as a Museum archaeologist in 1929, gaining a joint appointment in the Department of Anthropology in 1956 and retiring in 1976. They must be preserved and made accessible.

### NEH Grant

The NEH grant, for example, is supporting a partnership with partners in New Orleans to work on reshaping public history narratives, including monuments and statues.

**NEH Summer Seminars and Institutes for 2021**

Excavations were conducted at LaGrange in 1972 and again in 1975.

**Office of Archaeological Research**

These collections began to be accumulated at this time.
