keg

In other words, German seems to require a noun-phrase head before the subordinate clause. Examples include the following: 19 Or is it presumptuous of him to think that this is what she is thinking. In all of these cases the single-clause analogous order is blocked in German; in 19 and 20 because the subordinate clause does not allow a thematic element before the subject; in the other examples because a different element occupies front position and is obligatorily followed by the finite verb in main clauses.

practical in Norwegian

See details for additional description.

French

A French-English translation can be very different depending on what context the word is used in. At the same time, that has strong deictic prominence.

Norwegian

Examples include the following: 34 Daggett was apparently at St. Should you want to search another of our simply use the drop-down menu to select one.

French

Det er ikke noe illegalt ved denne transaksjonen, hvis det er det lit.

Norwegian Dictionary and Phrasebook by J. Gill Holland (2003, Trade Paperback) for sale online

. The vast majority of the instances contained an opening demonstrative pronoun, and they are the ones we will focus on. This applies to the few instances of equative structures section 5.

Introductory in Norwegian

Although there are syntactically similar structures in German and Norwegian, their use is not parallel to that's what constructions. .
