The Case for Life: Equipping Christians to Engage the Culture

Too many Christians do not understand the essential truths of the pro-life position, making it difficult for them to articulate a biblical worldview on issues like abortion, cloning, and embryo research. Only One Issue Abortion discussions can get ugly really fast. It was not until my exposure to Christian apologetics that I became aware that the fight was more than each side just emoting at one another.

To the contrary, a decision to have an abortion may be psychologically complex and perhaps even agonizing. Though we were dead in our transgressions and sins and justly objects of His wrath, God did what we could not do for ourselves: made us alive in Christ Ephesians 2:1-5. I feel better prepared to engage in meaningful dialogue with abortion proponents or with those who are still on the fence.

In fact, while the mother's claim to bodily autonomy is important, it is not absolute and does not supersede her obligation to the child.

The Case for Life

It seems many believers would rather focus on end times rather than these times. Many Christians are caught off guard when the topic of abortion comes up.
