Eating Disorders: A Guide for Families and Children: Elsbree BAW MSW, Valerie: 9781873413494: Books

The book includes an appendix and sections on further reading, organizations and websites, residential and hospital programs, and references. Parents learn to identify an eating disorder early, to establish healthy attitudes toward food at a young age, and to intervene in a nonthreatening, nonjudgmental way.

Eating Disorders in Teens

Children might obsess about their food intake and with how to control their weight. A sought-after expert on children with eating problems, Dr. Family therapy for transition youth.

Eating Disorders: A Guide for Families and Children (Guide for Families): Valerie Elsbree, Sarah Mountbatten

The Parent's Guide to Eating Disorders shows that effective solutions begin at home and cost little more than a healthy investment of time, effort, and love. The early stages of refeeding and monitoring someone with an eating disorder are all consuming.

Eating Disorders: A Guide for Families and Children (Guide for Families): Valerie Elsbree, Sarah Mountbatten

At the same time, she suffers from low self-esteem, irrationally believing she is fat regardless of how thin she becomes. Marcia Herrin is the founder of the Dartmouth College Eating Disorders Prevention, Education and Treatment Program, one of the most respected programs of its kind in the nation.
