## The Woman with the Blue Star: A Novel by Pam Jenoff, Paperback

A Special Thank You to Kensington Books and Netgalley for the ARC and the opportunity to post an honest review. I could c how this could develop into a really good book. For example, a book originally published in the US and later in the UK will have both a first US edition and a first UK edition, in addition to others that may come later, such as the first edition, the first edition, or the first paperback edition.

## Ella Journal

Even though they run her ragged by telling her to do all the farm work, inside chores, baking, cooking, sewing, etc Ella still treats her stepsisters and stepmother with kindness and respect as her mother told her to treat people. She did an excellent job of portraying the step-mother and step-sisters as abusive.

**satis.farmjournal.com: Misty Moon: Book 1 eBook: Ella: Kindle Store**

They are truly horrible people and they deserved what they got at the end of the book. This book was a great read all the way through, it kept me captivated and dreaming of my own alpha or two. However, this just brings disaster and despair for Ella.

## Ella: An Amish Retelling of Cinderella by Sarah

Drusilla and Anna were constantly excused from certain chores, due to their delicate nature or tendency toward having headaches. In this tale, Ella is unmarried and lives at home with her parents.
