The Accounting Review Supplement : 197, 199-204. While various academic organizations and universities offer DC, our study focuses on 10 DC sponsored by the AAA and its segments. The AAA has a Rich History, Captured in Three Volumes These volumes provide insights into the

accounting academy and profession from 1916 — today.

#### **An analysis of the evolution of research contributions by The Accounting Review, 1926**

A number of new academic accountancy journals were launched in the early 1960s, including the Journal of Accounting Research 1963 , Abacus 1965 , and The International Journal of Accounting Education and Research 1965.

#### **AAA > Research > Books > History of the AAA**

An innovative new valuation framework with truly useful economic indicators The End of Accounting and the Path Forward for Investors and Managers shows how the ubiquitous financial reports have become useless in capital market decisions and lays out an actionable alternative. The stock market and equity valuation in the 1920s The stock market environment of the 1920s was similar to that of the 1990s Chancellor, 1999, pp. This pattern is consistent with the findings of Heck et al.
