## Planning Policy in the West Bank

The West Bank is home to more than 2. According to the UN Office for Coordination of Humanitarian Affairs OCHA , around 25 structures homes and animal shelters were confiscated, 17 of which had been donated as humanitarian assistance. Some 6,000 Palestinians live there.

**Israel commits a crime and paints Palestinians as lawbreakers: The homes of 44 Palestinians, including 22 children, were demolished yesterday in the West Bank**

When Israel began construction of the wall in 2004, the community was faced with another problem that threatened to complicate their lives even further. The global pandemic has increased the needs and vulnerabilities of Palestinians, who are already trapped in the abnormality of prolonged military occupation.

**Israel wants to increase its practice of demolishing the homes of Palestinian involved in fatal attacks**

Yet the division of the West Bank into Areas A, B and C does not reflect a geographic reality, but rather an administrative division made as a part of the Interim Agreement of the Oslo Accords.

**Israel demolishes Palestinian homes near West Bank barrier**

The demolition in Al-Issawiye neighborhood in East Jerusalem 8 November 2016.

**Israeli Forces Demolish Palestinian House, Electricity Grid in West Bank**

Area C is home to an estimated 180,000 Palestinians and includes the major residential and development land reserves for the entire West Bank. It also destroyed animal feed.

## **IDF planning to demolish homes of dozens of Palestinian militants in West Bank**

It also advanced plans to build 107 homes in Tel Menashe, the settlement where Esther Horgan lived until she was killed last month. Bisharat told Wafa that an international humanitarian agency provided a few months ago the caravans to the two brothers to be set up as shelters for them after their homes were demolished by the Israeli military in September under the pretext of being built without a permit.
