Maritime history of the world.

**Ocracoke Island Journal: 06/01/2017**

On her lonely couch, she dreamed of the future days when Alec would retire from the sea for all time; when she would have him always with her, and when young Donald Percival—man grown—would be a coming Glasgow architect, designing structures destined to be the admiration of all eyes. My only hope then was that I might be rescued by some larger vessel—and how I should get from the Wavecrest craft to another was beyond the power of my imaginings.
