His creative impulse is ever concerned with the interaction of his characters, their relationship to their immediate environment, the intuitive drive or circumstantial necessity which compels them to live together or live apart. The author of *The Grapes of Wrath* aimed to fight the cause of the common man, was derided by the right as a Communist and by the left as a sell-out for supporting the Vietnam war. When they were gone, he locked the door, wiped the blood out of his eyes and set to work to repair the animals that had been destroyed.

The heart of Tularecito gushed with joy at his homecoming. Suppose it had a little door and no porch.

The Steinbeck Omnibus

As always, he heard the voices of the earth — the far-off clang of cow bells, the muttering of disturbed quail, the little whine of a coyote who would not sing this 61 THE ORIGIN OF TULARECITO night, the nocturnes of a million insects.
