Second Thoughts on Abortion

Aim for 8 to 9 hours of sleep per night. Sometimes I cannot get my brain to understand the issues I face and make a decision. Kingdom of Hawaii -- Hawaii Pen.

Cognitive Biases: What They Are and How They Affect People

The only thing your brain is filled with at this point is a thick cloud of fog. There apparently was no question concerning the validity of this provision or of any of the other state statutes when the Fourteenth Amendment was adopted.

Cognitive Biases: 10 Common Types of Bias

Gradually, in the middle and late 19th century, the quickening distinction disappeared from the statutory law of most States and the degree of the offense and the penalties were increased.

Abortion: Women's Rights... and Wrongs

We set forth the Act in full in the margin. If you have food allergies or sensitivities, brain fog may develop after eating certain foods. Healing is a process, Courti maintained, and a woman might not feel better for a long time.
