## **The 9 Kinds of Sex That All Married Women Need**

I think women need to be more willing to experiment to figure out what works for them both mentally and physically—be it novels, vibrators, lubricants, positions, porn, whatever.

## **How to Have a Healthy Sex Life In Your Marriage**

Can you still fall in love at 85? Blind dates have a reputation for being miserable, but this game will yield nothing but good times. This is one of the best adult sex games to play with your boyfriend or girlfriend because it starts cute and playful but has the potential to end in something hot and steamy if you know how to play. Benefit — The sweet freedom that absolute acceptance and trust can bring! Here's the thing about spanking: The spankee needs to be in the mood, the spanker needs to know his or her own strength, and you need to have a safe word.
