Discipline Synonyms, Discipline Antonyms

Discipline is a way to teach your child appropriate behavior, not punish them. As time passes, it can become more and more difficult to keep your willpower in check. While you want respect from your teen, make sure you give them respect as well.

Discipline

Timeouts are great for young children and allow them to self-soothe. This is another of your superpowers.

4 Ways to Discipline a Child

His face was stern and his pale eyes unsmiling behind his trifocals, like a man who had been called from important duties in the principal's office to administer discipline to an unruly classroom.

Discipline Synonyms, Discipline Antonyms

By simply removing your biggest temptations from your environment, you will greatly improve your self-discipline.

Discipline

When allowing natural consequences to occur, give your child choices and let them know what the outcome will be regarding their choices. Affirm when your child does something right and encourage their best behavior. .
