## New Liturgical Movement: The Feast of the Holy Maccabees

They loved the praise of men more than the praise of God: Jesus just explained that if anyone served Him, they would receive honor from God. P: Lord, heed my prayer. And let my cry reach up to You.

## Easter Vigil

Next he blesses the water: P: Our help is in the name of the Lord. Let us, their neighbors and friends, not be a hindrance to their conversion by our bad example. Rome has always been vigilant in opposing any attempt to regiment souls.

## Procession of the Holy Cross; Seven Maccabean Martyrs

He came unto His own, and His own received Him not. They may each carry a paper lantern symbolizing the star. Inspire the teachers with knowledge, wisdom, and holy fear.

## 1 Maccabees 1:14 Catholic Bible: They built in Jerusalem a stadium like those in the Greek cities.

For those who could discern it, it gave them confidence in Jesus before these critical days.

## Procession of the Holy Cross; Seven Maccabean Martyrs

The authors have completely failed to notice that, just as the day itself is occupied with more than one event the triumphal entry into Jerusalem and the Passion, and just as the very form of the blessing alludes to the principal event of another day the Institution of the Mass on Holy Thursday, which is also read in the Passion Gospel, likewise, the reading is not concerned to speak only about the event celebrated on this day, but also to connect that event to the rest of Holy Week and Easter. This arrangement would be the most natural way of explaining the origin of January 6 as a

festival of the Baptism of Jesus.
