**Ruth Montgomery: Herald of the New Age book by Ruth Montgomery**

Possible ex library copy, will have the markings and stickers associated from the library. Few people have lived as rich and as varied a life as has Ruth Montgomery, the bestselling author who has enlightened millions about everything from spirit communication and reincarnation to Walk-ins, extraterrestrials, and the New Age that is dawning. She tells her own fascinating story spiritual odyssey to Joanne Garland called Laura , the Walk-In who first urged her to write Strangers Among Us.

**9780385233118: Ruth Montgomery: Herald of the New Age**

Her journey continued with explorations of life after death in A World Beyond and of psychic healing in Born to Heat Montgomery, branching out from her explorations of reincarnation into experiencing her own past lives, then wrote Companions Along the Way. Now she tells her own fascinating story: her earlier career as a nationally syndicated political columnist and distinguished Washington correspondent.

**Ruth Montgomery: Herald of the New Age book by Ruth Montgomery**

As such, this is really a book about her books, for Montgomery has already left a prolific record of her discoveries and propensities. . From her first seance back in 1956 with the famed medium, Arthur Ford, 10 years elapsed before she had the courage to write about her experience in A Search for the Truth.

**9780449212523**

What has always lent sting and credence to Montgomery's second career is the genuine skepticism with which she let her journalistic instincts explore these new realms. Our bookstore sells new, used and rare books in a space built to surprise and delight you in historic Trolley Square.
