Carl looked up at the day again, at the sunlight and the hills. Intended to be but the beginning of a long, in-depth discussion and exploration of P. God is forever on the scene sustaining and protecting us.

## THE DIVINE ATTRIBUTES

Guilt and justice are necessary in order for humanity to see the need for forgiveness. For the process theologian, God is also infinite, but infinity is also redefined in a quantitative sense, rather than a qualitative sense. The thought enters my mind that perhaps the Lysol Lady has a gun in her apartment, a thought that should have come to me a long time ago.

The primordial nature of God receives the greatest attention from Whitehead. It says that God is the substance of everything and that there is no substantial independence and freedom in anything finite.

### The Problems of Theology

Furthermore his theories of the collective unconscious and of the archetypal ideas that recur in human consciousness the world over have been found valuable in the study of re48 Theology, psychology and the social sciences ligious symbolism

### Augustine on Absolute Immutability of God

The act of perception then, establishes the causal relation of a subject to the external world at that moment.
