The authors derived a useful framework for analyzing professional development systems.

Adult Basic and Secondary Education and ESL Teachers : Occupational Outlook Handbook: : U.S. Bureau of Labor Statistics

The resource identifies several lessons for the adult education classroom, specific to constructive developmental theory and approaches. Through discussion, the students will relate the issues or problems to their own lives and cultures. The document provides a brief theoretical discussion of stages of cognitive development applicable to adult learners.

Teaching for Developmental Diversity: An Approach to Academic Language and Critical Thinking

Additional close reading strategies were introduced and reinforced throughout the course of the semester. They answered their problem by taking this issue into their own hands--into their own control--and discussed reasonable alternatives to this overwhelming problem.

Critical Literacy

Working with students of different abilities and backgrounds can be difficult and teachers must respond with patience when students struggle with material. Why do you feel this way? Fandom and critical media literacy.

Teaching for Developmental Diversity: An Approach to Academic Language and Critical Thinking

Problem-posing dialogue is rooted in the works of Dewey and Piaget who were strong advocates for active, inquiring, hands-on education that resulted in student-centered curricula Shor, 1992. This combination of skills and knowledge was essential to the development of the grant initiative.

What is "Critical Literacy" in Education?

This article also presents the most important professional development, program, and system factors that explain teacher change.

Critical Literacy

This is problem-posing in action.

Adult Education

Some states have certificates specifically for adult education. As they read, individuals can accept, reject or reconstruct the ideologies presented in the text Cervetti, Pardales, Damico, 2001 to support their own life experiences Luke, 2000. What is happening in the picture photograph, drawing, etc? Critical literacy in Australia: A matter of context and standpoint.
