German Peasants' War

Having taken the count as their prisoner, the peasants took their revenge a step further: They forced him, and approximately 70 other nobles who had taken refuge with him, to , a popular form of execution among the landsknechts. The condition of the peasants did not grow essentially worse, though it did not greatly improve.

Der Deutsche Bauernkrieg 1524/25 : Geschichte, Traditionen, Lehren (Book, 1977) [satis.farmjournal.com]

For Franz, the defeat thrust the peasants from view for centuries. The opponents of the new regarded , and in part still regard him, as the real instigator of the revolt; the rebels themselves appealed to him in the conviction that they were only carrying out his teachings.

□□□□ □□□

The names on this list were supposed to be less contentious, comprising persons of more local and regional importance. The revolt was under the daring and clear-sighted guidance of Hans Müller of Bulgenbach and, as the rebellion spread over Swabia, Franconia, and Alsace, the power of the rebels steadily grew.

Der Deutsche Bauernkrieg

Nachdem der Truchsess die 4 000 Mann starke Truppe aus dem Hinterhalt überfallen und ein furchtbares Blutbad angerichtet hatte, schlug sich Florian Geyer mit 600 Mann nach Ingolstadt durch, besetzte dort die Kirche und das Schloss. The Revolution of 1525: The German Peasants War from a New Perspective. Other roles included lieutenants, captains, standard-bearers, master gunner, wagon-fort master, train master, four watch-masters, four sergeant-majors to arrange the order of battle, a weibel sergeant for each company, two quartermasters, farriers, quartermasters for the horses, a communications officer and a pillage master.

History Engels, Friedrich: Der deutsche Bauernkrieg (German). v.1.1. 01 Nov 2017

Following the Treaty of Weingarten, a series of contracts between peasants and their lords was concluded with the result that the situation of the peasants slowly began to change for the better, economically as well as legally. Setzt aufs Klosterdach den Roten Hahn! Die Revolution des gemeinen Mannes in German 3 ed.

History Engels, Friedrich: Der deutsche Bauernkrieg (German). v.1.1. 01 Nov 2017

Вимоги ці були помірними й справедливими і базувались єдине на святому Письмі. The burgher-master guild master, or artisan now owned both his workshop and its tools, which he allowed his to use, and provided the materials that his workers needed. After their military defeat, the peasants had to renew their oath of allegiance, followed by a wave of claims for compensation.

CATHOLIC ENCYCLOPEDIA: War of the Peasants

Denn während noch in Heilbronn verhandelt wurde, nahte bereits der Truchsess von Waldburg mit seinen Truppen, der vor Allem mit Söldnern des Schwäbischen Bundes die Aufgabe übernommen hatte, in einem beispiellos grausamen Strafzug die Bauernaufstände nieder zu schlagen.
