**Globalization**

The movement is often labeled an anti-globalization movement by the mainstream media.

**William Alan Reinsch**

We will likely see increased attention to, and innovation around, supply chain optimization, long-haul trucking, and last-mile freight movement, with expanded testing and deployment of automated delivery via robots and drones, as well as remote operation and autonomous drive for long-haul trucking. Mobility, already a highly dynamic space, looks set to be even more fluid over the coming months. However, these processes are uneven, and they can be seen to impact different communities in various ways, which are clearly not, on the whole, simply all good or all bad.

**Globalization and Education**

Distancing provides the theoretical link between poststructural thought and futures studies. The movement of people, such as refugees, artists, craftsmen, , robbers, and envoys, resulted in the exchange of religions, art, , and new technologies. During Q1 2019, Iraq experienced just under 300 attacks; in Q1 of 2020, it experienced just over 550.

**Globalization and Education**

Archivists may attempt to collect, record, or transcribe repertoires before melodies are assimilated or modified, while local musicians may struggle for and to preserve local musical traditions. As Martha Nussbaum has argued, educators should work to develop in students feelings of compassion, altruism, and empathy that extend beyond national borders.

**IDC**

Which of these outcomes is most probable hinges critically on the decisions made by myriad stakeholders—including readers such as you—over the coming months. How feasible is market for long term investment? Iran has prohibited the use of high-speed Internet in the country and has removed many satellite dishes in order to prevent the influence of, such as music and television.

## **MS in Global Affairs**

A recent report from the United Nations University suggests that the number of people living below the global poverty line could exceed in an estimated in 2018.
