Motherhood

We often butted heads, as so many mothers and daughters do, as I tried to define my life and myself separate from the one person who was arguably the most important my life. But, strangely, it felt easier than the second week, and I think that has to do with me. I am a wife, a mom, and an encourager.

Cora Jakes

Host Corinne Mockler shares creativity tips and interviews inspiring mamas who are unapologetically making time for a wide variety of activities that light them up, as individuals, outside of motherhood! Both my DH and I came from families of 4 kids...so it will be different to just have 3.

It has also helped me understand my mother, my grandmother and my great grandmother and I can clearly see how the Mother Wound has been passed down from one generation to the next.

Discovering Motherhood

Often, in the middle of the night, I longed for only one thing: to bring my mother and daughter together. She does not want to believe that she is pregnant.

Discovering Dacy

The Dash Poultry Brine is the perfect solution for flavorful, juicy, and well-seasoned poultry. You need to be focused before the rush comes.

A Double Life: Discovering Motherhood, review and giveaway

I discovered a huge network of new moms like me through a program at my hospital called Cradle Talk. I enjoy spending my days with my little man who is now 7 months old seriously, where does the time go?! Everyone did an awesome job and managed to get through everything together.

Discovering Motherhood : An Extraordinary Journey Through Everyday Life by Annemarie Scobey (2006, Perfect) for sale online

Brain research is demonstrating what Jesus understood when he gave us the command to love-- that the experience of trauma of being hurt, rather than loved has a physical effect on the body. I suspect Jacob and Liam lost their lap time earlier, in deference to their two little sisters. The site opens in a few minutes at 2PM est... Thank you for making Dash of Dacy a part of your kitchen staples.

Motherhood

I'm feeling a little more confident. This healing approach to pain is not new; what is new is the language and research around it; techniques and data that allow more people to have visibility into what is required to fix the hole in the soul Oprah referenced. Thank you for choosing me to be your mother.
