Johannesburg Travel Guide and Tourist Information: Johannesburg, Gauteng, South Africa

Johannesburg Tourist Information and Tourism: Top Sights When you first arrive in Johannesburg, there really are a number of places that you should make the effort to see. Tourists staying in Johannesburg often find the surrounding areas of South Africa extremely inviting and many choose to explore the region, with a choice of day trips presenting themselves. However, there are no white water features around the Johannesburg area.

City of Chesapeake, Virginia

A trip to the very historical Johannesburg Zoo is also recommended, as is an afternoon at the Gold Reef City, where you will find an authentic reconstruction of how the city appeared during the gold rush of the late 19th century.

Gauteng Tourism Authority

View of Johannesburg CBD at dusk City of Johannesburg South Africa, Tours and Travel guide copyright © South African tourism According to a Government survey of 2007, the population of Johannesburg within city boundaries came to a figure of 3,888,180 in that year and for the Greater Johannesburg Metropolitan area to a figure of 7,151,447, almost double. The Gauteng Tourism Authority within the Rosebank Mall does tend to be the most reliable. Johannesburg boasts many sights to see, with the Gandhi Square and the very spacious Nelson Mandela Square standing out, being surrounded by places of interest.
