The last time the Deputy Secretary-General visited Colombia in person was in 2015 for the launch of the Inter-Institutional Commission for the Sustainable Development Goals.

Exciting EVs Available in America Today — And Tomorrow

Tonga This year 45,000 people, or almost half the population of the island of Tonga, Marched for Jesus. Every year new electric vehicles enter the American market, with choices expanding to include luxury cars, crossovers, high-performance cars and even pickup trucks.

Colombia begins its COVID

Question: And since you were in contact with them, what was their response, that they are... were planning to put out a statement? There were... there was a lot of work done over the summer on improving the air filtration system, putting them up to the necessary level that have been recommended by the host authorities. Which becomes complicated in a hot country like Colombia with a spread-out population. Sputnik V vaccine in Colombia No deal has been signed, but the Russian ambassador told press this month that Colombia is negotiating to both buy and produce the vaccine.

UN deputy chief to take to Colombia

Exciting things are happening in the South Pacific. Countless children are being scarred by the psychological impact of daily exposure to rocket and missile attacks in civilian areas. Peter Wagner, focusing on spiritual warfare in behalf of the evangelization of unreached peoples.

Colombia Today

This network is also in charge of the Research Network, which precedes both the evangelist and the church planting efforts. Many are Catholic and Orthodox.

Birding and Ecotourism in Colombia

South Africa Willie Crew of South Africa reported that the South African churches have recently sent out 254 church planters for work in India. It is estimated that 11% of the Latin Americans nowadays are evangelical. Peru for Christ is another initiative for the year 2000 in which the majority of the evangelical denominations and organizations of the country are participating along with the participation of Partnership 2000 and DAWN for the development of a total program for the Gospel.
