The NHS website

Paperwork changed; bills were no longer necessary, but there were forms for eye tests, sickness, milk and coal. The NHS gave them security and a higher average income.

WWL Teaching Hospitals NHS Foundation Trust

Richard Cattell has been a pharmacist for 28 years with a career mainly in acute hospitals in the South West, Cardiff and the West Midlands. By 1956 prednisone and prednisolone, analogous and more potent drugs, had been synthesised and were in clinical use. It was widely recognised that severe collapse after major injury was associated with a vast fall in blood volume, far greater than could be accounted for by external loss.

The NHS website

Mark Doughty co-founded the Centre for Patient Leadership CPL in 2011 where he is responsible for designing their model of patient leadership.

The NHS website

MBACP ACRED; MA Couns dist ; Cert EMDR. Between 1946 and 1956, 160 died under suspicious circumstances. Brock attempted three operations within a fortnight.
