The second Messiah : Templars, the Turin shroud, and the great secret of Freemasonry. : Knight, Christopher, 1950

The rebellion was eventually crushed by Rome and the remaining Essenes escaped to Europe.

Freemasonry

There would be no reason to presume it was Jesus in particular.

The Templars and the Shroud of Turin

At first it seems safely free of the Templars. When the Grand Master was taken down, not dead but in a state of collapse, and placed in a soft bed to recover he was wrapped in a fourteen foot long Templar ceremonial shroud as a last ironic touch. Their startling and unexpected conclusions are presented here - - backed by rigorous analyses of ancient Egyptian records, the Old and New Testaments, early Christian and Rabbinical texts, the Dead Sea Scrolls and the rituals of Freemasonry.

The second Messiah : Templars, the Turin shroud, and the great secret of Freemasonry : Knight, Christopher, 1950

Not surprisingly, many of the initiation ceremonies for Freemasonry find equivalents in the Essene initiation rites.

The second Messiah : Templars, the Turin shroud, and the great secret of Freemasonry : Knight, Christopher, 1950

The idea that this would be a secret makes no sense in the framework of the medieval world, or the modern one for that matter. Precisely one thousand years later their bloodline descendants re-entered the holy city to claim their ancient heritage and form a new order of priests of the Temple - the Knights Templar.

Second messiah templars the turin shroud and the g exceeded my expe...

Very interesting reading, although not for the faint of heart i. Got some thoughts or reactions? The truth behind the shroud is an epic story of pride, greed, powerlust and suffering.

The second Messiah : Templars, the Turin shroud, and the great secret of Freemasonry. : Knight, Christopher, 1950

They did this in the name of GREED, as in their own greed and their need to maintain control of people. I have no intention of exploring what the shroud is or how, when, and where it was made, only the way the Templars were brought into its orbit. The publishers, however, should be strung up for aiding and abetting this exercise in historical negligence.

~

Inasmuch as you do not defile it, but are true and faithful to your covenants, it will be a shield and a protection to you against the power of the destroyer until you have finished your work here on earth.
