Initially, the rebellion is a success: The animals complete the harvest and meet every Sunday to debate farm policy.

Animal Farm Book Notes

His book would demonstrate the ways in which — despite all of their socialist propaganda — the leaders of the Russian Revolution especially Stalin had created in a system even worse than its previous one and sound an alarm to all English readers about the dangers of believing in the Soviet myth. With a vision of a promising future ahead: less work, better education, and more food, the animals work hard. The purges and show trials with which Stalin eliminated his enemies and solidified his political base find expression in Animal Farm as the false confessions and executions of animals whom Napoleon distrusts following the collapse of the windmill.

Animal Farm: About

As spent more and more time with the down-and-outs of England, he became convinced that the only remedy for the invidious problem of poverty lay in socialism, a political and economic philosophy arguing that only when the state controls the means of production and distribution will all members of a nation share its profits and rewards. For a year, the animals, especially Boxer work sincerely to build the windmill.
