Menuhin's violins

Ravel was behind me, and I still remember exactly what he asked of her.

Conversations with Robin Wilson

In chamber music, particularly in later years, Menuhin liked to make it a family affair, which included his sister Hepzibah, who accompanies him here in the Debussy Violin Sonata, and son Jeremy, who is the pianist in the Fauré Piano Quartet 1.

Except for a change in violist, the lineup for the Fauré is the same as the HMV stereo LP account, which dates from 1971, the same year as this concert. So from then on, I was pestering to play the violin. Here, in a series of conversations with Dubal, an author and teacher at Juilliard who has been for many years an intimate, he demonstrates the range of his concerns and his sympathies.

That must be the reason why the book is titled Conversations With Menuhin: for this isn't even an interview as such! He went back to Germany in 1947 to perform music under the conductor Wilhelm Furtwängler as an act of reconciliation, becoming the first Jewish musician to go back to Germany after the Holocaust. We learn marvellous anecdotes that allow us to understand very well how generous and open-minded Yehudi Menuhin was.

A was among the various new violins that he commissioned. The door would be firmly closed. He taught the same method book and we continued with that, but he was a teacher who played a lot of styles of music.

Conversation with Menuhin

By the time she performed in the United States for the first time, in February 1962, she was a revered teacher at the Paris Conservatory, had been awarded the Legion of Honor and had been made a Chevalier des Arts et Lettres. There is almost nothing beyond common knowledge.
